TO THE WHOLESALE TRADE:

It is with great pleasure that we present our Fall 1960 Wholesale catalog. We wish to extend our best wishes for a prosperous 1960-61 season to our friends and customers. We wish to thank our customers for their patronage during the past and sincerely hope it will be our privilege to serve you again during the coming year.

In Keeping with our expansion program, we will be located in our new modern office, warehouse and storage building for this fall season. This new building is located on State Highway 55A, 4 miles SW of McMinnville on the Manchester road. We are 18 miles NE of U.S. Highway 41 at Manchester (Chicago to Florida route) our new facilities will enable us to give our customers better service in the future, and we take this opportunity to invite all our friends and customers to visit our nursery at any time.

Since establishing this firm in 1948, it has been our aim to furnish quality plant material at prices that every nurseryman and garden shop can afford. We specialize in items we believe that will stimulate your sales program, for nurseries and garden shops.

We invite you to look our price list over and if we may be of service to you, it will be our pleasure. If you need items you do not find listed, then please write for special quotations. Your orders and inquiries will be greatly appreciated.

Cordially yours,

Bob Boyd, Owner-Manager
GLOBE NURSERIES.

RECENT INTRODUCTIONS**FLOWERING CRABS**

We have many fine new crabapple that are very promising and rated very highly. Some are in very limited supply, but we feel all are worthy of trial in your section. Many are rated as very promising in "FLOWERING CRABAPPLE" as published by the A.A.N. and A.F. den Boer.

ATROSANGUINE—(Carmine Crab) Large, deep rose colored blossoms

EVELYN—Striking foliage turns from purple to bronzy green, then in fall the leaves change again to purple, red, orange and buff.

Bright Red fruits.

FLAME—Very Hardy white Flowering crab from Far north. Vigorous growth. Bright red fruit.

FLORIBUNDA—(Japanese crab) Pink buds, rosy white flowers. One of the (green leaves) all time favorites.

LINDA—Pale pink flowers larger than the parent Arnold crab. Large red fruits.

LISA—Salmon Pink blossoms and red fruit. Much like the Evelyn but of slower growth.

LISET—Clear purple red flowers with glossy purplish leaves becoming bronzy green. Very promising introduction of Red Flowering crab.

PATRICIA—An improved seedling of the Hopa crab. Blossoms are larger and deeper in tint with larger and darker green leaves. The crabapples are juicy and tasty - fruits are dark red with red flesh.

PINK SHOWERS—New introduction from our nursery, discovered as chance seedling hybrid of native crab. Large Pink buds opening to white. We rate this as very promising. First time offered to wholesale trade. Supply limited.

MALUS ROSYBLOOM—Large flowers of deep red purple with small carmine red fruit. Purplish foliage. Very hardy introduction from Canada.

M. R. 454—Small pyramidal form of Malus Rosybloom.

RADIANT—New introduction from Minn. State Fruit breeding farm. Valuable addition to ornamental crab list. Very compact, symmetrical habit of growth. Blossoms of good red with bright Red fruit.

SUNDOG—Pyramidal crabapple, slow growing, with Reddish buds opening into pink blossoms.

VISITORS WELCOME

TERMS AND CONDITIONS

We offer usual terms to those of known responsibility. Where purchaser's credit responsibility is unknown to us cash is required before shipment or reference with time for proper investigation. Orders to be sent C.O.D. should be accompanied with one-fourth cash.

3%* discount and free boxing and packing allowed where cash accompanies order. No charge for packing carload orders in bulk.

Net 30 days from date of invoice.
2%—10 days.

Shipping—Customers are required to give definite instructions in regard to manner of shipping that they desire. We ship by express, freight or truck.

Guaranty—We give no warranty, expressed or implied, as to description, quality, productiveness or any other matter of any nursery stock or bulbs we sell, and we will not be in any way responsible for the crop. All stock is sold subject to crop losses through unavoidable causes.

Claims—All claims must be made immediately after receipt of stock. While we use every means at our command to secure prompt delivery we are not liable for delays in transit; our responsibility ends upon delivery in good order to transportation company. We shall be glad, however, to render all aid we can to remedy a loss.

SPECIAL NOTICE: CLAIMS—No claims will be considered unless made in writing within ten days after receipt of merchandise

"NEW ALMEY" — Flowering Crab New! Fiery Crimson! Sensational!

ALMEY, Flowering Crab

Almey takes its place as the most beautiful flowering crab in America. The tree is upright, vigorous and hardy. Almey blooms young. Each spring the two year old trees in the nursery are covered with blooms. Almey is the only variety that does this. It is hardy and will do well in any location. The fruits are maroon, and last into the winter season.
